DESCRIPTION

La Palma in a pure, fresh, fragrant and elegant state, an expression of an Atlantic climate and sandy soils.

Amber color, with golden trim. Clean bright and dense.

Of great intensity in the nose, aromas of very ripe fruit, orange, peach. When breathing honey and quince a little are notable.

On the palate it has a mouthful, not sweet, but the overripe fruit gives it a sweetness. Perfect acidity, a bit sulfurous, with a lot of structure. A very interesting and fun wine.
